TERI HASKINS' PERSONAL PROJECT:  
END OF SUMMER LEMONADE STAND!

---

What do you do when the Pandemic gives you lemons?  
...you host a book exchange, collect food for the food  
insecure, and make lemonade of course!!

Please stop by my Lemonade Stand the weekend of 10/17-10/18. I will be outside, in front of my house, both Sat & Sun 2:00 – 6:00 pm, selling delightful lemonade in order to raise funds for my club Soroptimist International Oceanside-Carlsbad! Our mission is to provide women and girls with access to the education and training they need to achieve economic empowerment.

I will be collecting food for our North County neighbors in need during this crazy time. Top items requested are Oatmeal, canned Tuna or Chicken, Peanut Butter, Tomato Sauce, and canned Soup. Also, Covid cleaning has produced a large stack of wonderful books to pass along... feel free to bring one to swap, or just take a book with your lemonade!

There will be a hand sanitizing station... and don't forget your mask!! Don't feel like interacting at a social distance? You can always drive by and throw a check out the window!! Hope to see you then!!
