SAVE THE DATES: Jan. 1-30, 2021

**January is Human Trafficking Awareness Month!
Join the 30/30 Stop Human Trafficking Fitness Challenge!**

a fundraiser to benefit the fight against human trafficking

In lieu of our club's usual annual Human Trafficking Awareness Walk and Event, this January, Soroptimist International of Vista and North County Inland will launch its "30 Miles in 30 Days" virtual fitness challenge Walkathon to raise money for our anti-human trafficking program.

The challenge begins January 1, 2021 and culminates at noon on January 30, 2021 with an online webinar featuring guest speakers on January 30 (details to come).

All funds raised through pledges and donations will go directly to two local North County San Diego organizations fighting human trafficking: Alabaster Jar's **Grace House** and **North County Lifeline's Project LIFE**.

Whether you choose to walk or run inside, outside, on a treadmill, on a bike...we only challenge you to cover 30 miles in 30 days in January. This challenge is excellent motivation for you to get in shape while raising money for a good cause.

For more info on how you can register for the challenge and invite your friends and family, visit:
